Total				30,000

*1 Impact refers to the effects achieved or expected to be achieved as of the end of FY2021 through the implementation of a project. When there has been a change in the final figures or other results from that projected in the February 14, 2022 “Announcement of Decision Regarding Target Projects for the Tokyo Social Bonds Series 2 in FY2021” (hereinafter referred to as “Announcement of Target Projects”), they are highlighted by an underline.

*2 The allocated amounts are the FY2021 settled amounts, determined after comprehensive consideration of project implementation and other situations. For projects in which the final allocation of funds has increased or decreased from the amount expected to be allocated at the time of the “Announcement of Target Projects,” the original amount is indicated in parentheses.
