No	Project category	Allocated project	Impact *1	Allocated amount *2 (millions of yen)
26	Universal design for accessible public facilities	Make sidewalks barrier-free	✓ Length completed: <u>5,333m</u>	160
27		Increase barrier-free routes	✓ Elevators installed: 2 (by the end of FY2025)	20
Total				60,000

*1 Impact refers to the effects achieved or expected to be achieved as of the end of FY2022 through the implementation of a project. When there has been a change in the final figures or other results from that projected in the June 3, 2022 “Announcement of Decision on Target Projects for the Tokyo Social Bonds” or in the February 16, 2023 “Announcement of Decision on Target Projects for the Tokyo Social Bonds” (hereinafter referred to as “Announcement of Target Projects”), they are highlighted by an underline.

*2 The allocated amounts are the FY2022 settled amounts, determined after comprehensive consideration of project implementation and other situations. For projects in which the final allocation of funds has increased or decreased from the amount expected to be allocated at the time of the “Announcement of Target Projects,” the original amount is indicated in parentheses.
